Community Outreach

Part of the Emerge Gallery & Art Center’s mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free. We do this through art programs geared towards those affected by cancer in the hospital, artist in residency programs, and our Youth Arts Initiative program, which includes scholarships and our Youth Public Arts Project.

Youth Public Arts Project is our longest running outreach program. Started in 2005, this is a bi-monthly program, where youth come to the arts council to work with professional artists and musicians to create various public art projects and learn about the rich heritage of African American music. The public art is then displayed throughout the community.

Art is Good Medicine is an arts in healthcare program in partnership with local healthcare providers ECU Health. Professional visual artists work with adult and pediatric cancer patients and survivors. In addition, we facilitate weekly art experiences at Hope Lodge and offer free workshops to cancer patients, survivors, family members, and caregivers.

Scholarships are available to our community in need to attend classes free of charge.
