DOWNEAST

The DownEast Outdoor National Juried Sculpture Exhibition is located in Pitt County, North Carolina. The year long outdoor exhibition through Pitt County coincides with a month long indoor exhibition at Emerge Gallery & Art Center in March. Sponsoring locations include East Carolina University, City of Greenville, Town of Farmville, Town of Winterville, Town of Ayden, Wahl-Coates Elementary School of the Arts, and Greenville Museum of Art.

Meet the Juror

D. Lance Vickery was raised in Florida. Early, as an aspiring two-dimensional artist, deeply rooted in formalism, Lance attended Florida State University, where he met Charles Hook. Hook changed Lance's perception of art and sculpture. Hook held the position that all "Sculpture is real, all painting and photography, no matter how realistic is abstract. Two-dimensional work always requires the viewer to imagine the third dimension."

Lance is currently an Assistant Professor at the University of North Florida and President of the International Conference for Contemporary Cast Iron Art [ICCCIA].
